

## You Young Men Who Are Ambitious And Have Bright Hopes for the Future

What Provisions Have  
You Made For That  
One Great Thing--A  
HOME?

There are scores of young men in El Paso who have very promising prospects for the future, young men of today who are going to be the successful business men of tomorrow. How many of these young men are making the right preparations for the future.

It is only a question of a few days, maybe a few weeks, but not longer than a few months, until they will want a home of their own. Maybe they would prefer to rent, but after a few weeks of that kind of life they would see their mistake and long for a chance to own their own home.

## The Successful Men of Today Own Their Homes

The advantages over renting are too numerous to state in detail. Home is the one dearest, best and most sacred place on earth, and yet there are many who have never owned their own home. Certainly they intend to own it some day. They have been postponing it from month to month, and from year to year. There is a lesson to every young man to see the aged man today who does not own his own home.

## MAN FOUND DEAD IN BISBEE FIELD

Construction Company Con-  
victed of Importing For-  
eign Laborers.

Bisbee, Ariz., Sept. 28.—Albert Werg, 39 years old, was found dead in a pasture between here and Naco, and brought here. Death had occurred several hours before the body was found and it is believed that it was due to heart failure.

Two of the Mexicans who were captured by a posse led by Sheriff White, south of Fronteras, have been identified as Miguel Chavez and Marcus Bonito. They are being held in jail in Mexico, as they have to answer to the charge of murder. Chavez, being charged with having killed a policeman in Moctezuma, and Bonito a Chinaman in Cananea.

The Grant Construction company was again found guilty of introducing aliens into the United States under contract labor and was denied the right to a new trial. The court expenses charged to the company amounted to \$220. The company has appealed and will in a few days give the required bond of \$55,000.

The shooting exhibition given by Mr. and Mrs. Adolph Topperwein at the Country club grounds created a great sensation among the crowd witnessing the performance.

A report is received here that James Butler, formerly a miner of Bisbee, was discharged from a Los Angeles hospital, where he was confined as a result of the attempt to starve with Rev. O'Neill. He is the only survivor of the four who tried the strange fast.

Dates have been set for the fall session of the federal courts, which will be held in Tucson, Phoenix, Globe, Tombstone and Prescott during October.

Over 2,000,000 gallons of water are in the local reservoir and in the city tanks for protection against fire.

Word has been received from Tombstone that the water mains of the Huachuca Water company were partly broken by the earthquake which was felt in several points of the territory.

Three boys and one girl were added to the population of Bisbee.

A meeting of the school board will be held next Friday.

**POLICE JUDGE LEA WILL  
NOT TRY TITLE SUITS**

In Cases Involving Ownership of Song  
Birds and a Cage, He Orders Them  
Returned to Owner.

Four birds and a cage—not gilded—three Mexican women and a Mexican youth were responsible for a hearing in police court Tuesday afternoon that resulted in Judge Lea ordering the return of the birds to the former owner and the cage to its claimant.

The hearing was caused by the arrest of Francisca Delgado, charged with buying stolen property. It later developed that the birds and cage had been left with her for care and attention.

## ROSY AS YOUNG GIRL

J. W. Church, the Notary Public,  
of Summit, N. C., Tells How  
Cardui, The Woman's  
Tonic, Helped His  
Wife.

Summit, N. C.—"My wife had been ailing for nearly 12 years," writes Mr. Church, "and at times was unable to leave the house. She suffered agony with her side and back. We tried our family physician for many years, without relief. After his treatments all failed, she began to take Cardui, and gained in weight at once. Now she is red and rosy as a school girl."

"Mrs. Church recommends Cardui to all suffering women."

Cardui is more successful than other remedies, because it is "different." It is in a class by itself.

In over half a century, more than a million women have been helped to health and happiness by using this well-known and scientific woman's remedy.

Cardui acts specifically on the weakened womanly organs. It helps to refresh the worn-out nerves and is the ideal remedy for young and old.

As a tonic, for women, it has brought remarkable results.

As a remedy, for women's ills, its friends say it has no equal.

Try Cardui.

## PLANNING FOR ROCK DRILLERS' CONTEST AT THE EL PASO FAIR

Secretary Frank Rich Is at  
Globe Arranging the Pre-  
liminaries.

Pickens and Page, the champion rock drillers will be seen at the El Paso Fair and Exposition if the negotiations which are now pending with these drillers are completed. Secretary Frank Rich is at Globe, Ariz., which is the home of the two famous drillers and is arranging for them to appear in the big drilling contest for the championship which is to be the feature of Statehood day, November 2.

The Daily Globe has the following to say of secretary Rich's work there in the interest of the big fair:

Frank Rich, secretary of the El Paso fair, is a visitor in Globe. He is accompanied by his energetic assistant, Jesse L. Sinclair. While Mr. Rich's main object in coming to the best mining camp in the southwest is to make arrangements with the champion drillers of the world—Page and Pickens of Globe—to swing their hammers at El Paso during the fair, he is also taking advantage of the opportunity to boost the show in this section.

Mr. Rich was meant by nature for just such work. Such ability as he displays in that particular line could not possibly be acquired by education and long

practice. It must be "bred in the bone." He says the southwest has never known such an exposition as will be at El Paso from October 29 to November 6. And he says it with an earnestness that is convincing. The Overland Trail at the fair this fall, he says, will be a show great enough for a world's fair. Another big feature of the exposition will be the Osage parade. And Buffalo Bill will be there, right from start to finish.

Editor Chas. A. Dinsmore of the Mining Journal is looking after the mining exhibits and the practice of every mining camp in the southwest will be displayed.

The prizes offered for chickens has started something of a chicken craze in Texas, and according to the boosting secretary, people in San Houston's country are blowing themselves for gold rings with which to decorate the legs of prize chickens. Besides cash prizes to the amount of \$1400 for chickens, \$1200 worth of cups will be distributed. The prizes for blooded stock run away up in the thousands and the best in the southwest are being groomed for exhibition.

A special advertising car, under the management of Jesse Sinclair, who is contracting outdoor publicity for the big fair, will tour the southwest.

While here, Mr. Rich is to secure a \$10 round trip rate from Globe to El Paso. Already he has been assured a one way fare for the round trip.

## Good Way to Use Hyomei for Catarrh

Besides breathing through the inhaler a few times a day, many catarrh sufferers write that they find inhaling HYOMEI (pronounce it High-o-me) from a bowl of steaming water each night before retiring a great aid in curing stubborn cases.

Try it; it's very simple; gives quick relief and makes you breathe easier. Fill a bowl half full of boiling water; pour into the water a teaspoonful of HYOMEI, cover head and bowl with a towel, and breathe through nose and mouth the pleasant, medicated, antiseptic and healing vapor that arises.

This method relieves that stuffiness at once, and makes your head feel fine. You can get a bottle of HYOMEI at druggists everywhere or at Kelly & Pollard, for only 50 cents. Ask for extra bottle of HYOMEI inhalant.

But bear in mind that a HYOMEI outfit which includes inhaler and bottle of HYOMEI costs \$1.00.

But, as stated before, if you already own an inhaler, a bottle of HYOMEI costs but 50 cents.

HYOMEI is guaranteed by Kelly & Pollard and druggists everywhere to cure catarrh, sore throat, coughs, colds, asthma and croup, or money back. Try it on that generous basis.

Stomach dosing never cured catarrh, and never will. HYOMEI directly reaches the inflamed membrane, kills the germs and soothes and heals the inflammation. Write for free trial bottle of HYOMEI to Booth's Hyomei Co., Buffalo, N. Y.
